Employment

Assistant Professor, Rutgers University Sept. 2020 -

Education

Ph.D. Economics, Michigan State University 2015 - 2020

– Committee: Jeffrey M. Wooldridge (Chair), Kyoo il Kim, Todd Elder

B.A. Mathematical Economics, Fudan University 2011 - 2015

Publications

Potential Outcomes and Finite Population Inference for M-estimators, *The Econometrics Journal*, forthcoming

Working Papers

Asymptotic Properties of M-estimators with Finite Populations under Cluster Sampling and Cluster Assignment (under review)

Weak Instruments with a Binary Endogenous Explanatory Variable
(revision requested at *Oxford Bulletin of Economics and Statistics*)

Work in Progress

Finite Population Approach to Spatial Correlation (joint with Jeffrey Wooldridge)

Seminar and Conference Presentations

2020 *Seminars*: Washington State University, Louisiana State University, University of Kansas, York University, Rutgers University, Brandeis University, Georgia Institute of Technology, Texas A&M University, University of Connecticut (web, scheduled)

2019 *Seminars*: Stevens Institute of Technology, Grand Valley State University
Conferences: Midwest Econometrics Group (Columbus, OH), Canadian Econometrics Study Group (Montreal, Canada), Asian Meeting of the Econometric Society (Xiamen, China), China Meeting of the Econometric Society (Guangzhou, China)

2018 *Conferences*: Canadian Econometrics Study Group (Ottawa, Canada), Midwest Econometrics Group (Madison, WI)

Teaching

Instructor, Rutgers University

Undergraduate Level: Econometrics

Fall 2020

Ph.D. Level: Econometrics I

Spring 2021

Instructor, Michigan State University

Masters Level: Quantitative Methods in Public Policy III

Fall 2018

Undergraduate Level: Econometrics

Summer 2017

Fellowships and Honors

- Dissertation Completion Fellowship, Michigan State University
- Holt Research Fellowship, Michigan State University

Fall 2019

Summer 2019
